

## MOTHER SAID TRY IT

Lydia E. Pinkham's Vegetable Compound Cured Mrs. Copner after Doctor's Failed.

Cincinnati, Ohio.—"I want you to know the good Lydia E. Pinkham's Vegetable Compound has done for me. I was in such bad health from female troubles that I could hardly get off my bed. I had been doctoring for a long time and my mother said, 'I want you to try Lydia E. Pinkham's Vegetable Compound.' So I did, and it has certainly made me a well woman. I am able to do my house work and am so happy as I never expected to go around the way I do again, and I want others to know what Lydia E. Pinkham's Vegetable Compound has done for me."

—Mrs. J. M. Copner, 1608 Harrison Ave., Fairmount, Cincinnati, Ohio.

No woman suffering from any form of female troubles should lose hope until she has given Lydia E. Pinkham's Vegetable Compound a fair trial.

This famous remedy, the medicinal ingredients of which are derived from choice roots and herbs, has for forty years proved to be a most valuable tonic and invigorator of the female organism.

## THE LEAHI HOME BENEFIT SONG

The management of the Moana Hotel is to give a benefit concert on Thursday evening, February 8, the proceeds to be used for the afflicted of Leahi Home. There is surely no cause in the islands that could possibly make a stronger appeal to the public than this one of caring for those who are so afflicted that they are unable to care for themselves. The late Mr. Alexander Young had this institution very near his heart and really did a great deal for the home. The management announces that Mrs. Riley H. Allen and Prof. Joaquin Wanrell will present an evening of song in furtherance of this worthy charity.

The program will be given in full about the end of the week, as will the list of patronesses for the deserving benefit.

## SOCIAL AFFAIRS AT THE PLEASANTON

Things social at the Pleasanton keep the guests in a happy mood, for entertainment is planned for their pleasure daily. Last evening the Pleasanton Hotel was packed. It is said that hundreds of people witnessed the exhibition hula, crowding the pavilion to its utmost. Dancing on the lanai was then enjoyed until midnight. The stringed trio played alternately with another organization and rendered a splendid program.
